Re: U.S. Patent Application No. 10/624,538  
Title: SUSPENSION SYSTEM  
Inventor: KROPPE  
Our Ref: 08200.735

To Whom It May Concern:

Enclosed please find two certified copies of the above-identified received by us after ordering one certified copy.

Please note that the certified copy signed by Trudie Wallace bears the incorrect serial number (10/624,539) on the first page after the certification page. The other copy, signed by P. Swain, has a similar stamp upon which the serial number has been blacked out. Both copies bear the correct application number on their certified cover pages.

Please send us a certified copy of the above-identified patent application that bears the correct application number stamped upon the first page, as well as upon the certification cover page. This copy is necessary for submission to a foreign patent office, and must be accurate in all regards.

Thank you in advance for your cooperation.

Very truly yours,

Adam L. Cox
